## **DOGGY DAYCARE FAQ'S**

Doggy Daycare is an opportunity for friendly pets to play off-leash. Daycare is not designed to “train” dog-aggressive pets to become more dog-friendly. Not all dogs are appropriate for doggy daycare – some dogs do not enjoy the company of other dogs.

### **What Do the Dogs Do at Daycare?**

Play with other friendly dogs of similar size, work on reinforcement of good doggy manners, get lots of exercise and socialization, and go home tired & happy!

### **Where Do the Dogs Play?**

1. We have three climate controlled indoor play areas as well as three outdoor play areas. We have Webcams in two indoor areas and one outdoor cam.
2. We abide by PCSA daycare requirements that do not allow significant size differences (50% difference in body weight or more) between dogs playing together. We separate our playmates by size – little dogs play with little, and big with big.

### **How Do I Sign Up?**

1. Call PetWorks at 440-255-7387 and schedule an appointment for a Temperament Test & Tour.

### **What's a Temperament Test?**

1. A Temperament Test consists of two parts. The first part consists of us meeting you and your pet. We evaluate your pet's reaction to a number of different stimuli, including food & toys, collar & body contact, other dogs and so forth. We prefer that dogs come on Mondays for their first day if possible... Mondays have the the least dogs and the energy level is relatively low.
2. Temperament Tests are offered on Saturday mornings (other days can be arranged.) Tests usually takes 20-30 minutes. We will also provide a group tour of the daycare and boarding facility.

### **What Breeds are Allowed to Attend Daycare?**

1. Most dogs are accepted for daycare. A few exceptions include wolf hybrids and breeds over 90 pounds. We also cannot accept any breed recognized by the State of Ohio as a pit bull due to Ohio requirements for all outdoor play areas to have a fenced top or roof.

### **How Old does my Dog have to be?**

1. We require that dogs be at least 12 weeks of age so that they have received sufficient immunizations.

### **Spay & Neuter Policy?**

1. Dogs need to be spayed or neutered by 7 months of age. Our concern with unaltered pets is not necessarily the behavior of the unaltered pet – the concern is the pack's reaction to the unaltered pet.

### **Vaccinations?**

1. We require DHLPP, Rabies & Bordetella vaccinations (current a minimum of 7 days before attending.) We also require flea & tick prevention. Titers are accepted for pets 2 years of age and older.

### **When can I drop off/pick up? (Winter Hours)**

1. Drop-off times are between 6:45am and 10:00am Monday-Friday.
2. Full-day pick up is between noon and 5:30pm (Monday & Wednesday) or noon and 7:00pm (Tuesday, Thursday, Friday) Half-day pick-up is by 12:00 noon only.

### **Cost & Attendance Policy?**

1. Regular daycare attendees: \$23 for a full day; \$15 for a half-day (up to 5 hours, mornings only). The second dog from the same family is \$12.
2. Dogs should attend daycare on a regular basis to keep them fit and familiar with our pack. 1-5 visits weekly are optimum: we require a minimum of every other week for your pet's well-being.
